House for Sale in Fort Worth Could be House Flipping Potential

Four bedroom house located near I-30 freeway in Fort Worth. The need of a partial to total rehab makes this house a potential for house flippers. This house needs the roof replaced, the foundation adjusted, kitchen plumbing checked for possible exterior leak, as well as updating in the kitchen. Outside on the back patio an unfinished bonus room could be turned into another room or storage.

Special terms and conditions apply for all sales.
