The advertisement features a central image of a wooden chest with a hand-painted floral design and a small inset image of a smartphone displaying the auction website. The text is arranged in a clear, hierarchical manner, emphasizing the auction's purpose and the item being sold.

Description

The Prague Life Chest

The Prague Life Chest

Life Chests may be available elsewhere from \$800 to over \$1500. Save 50-70% and save those memories. Bid and make your best offer.

This attractive chest features deep cherry and rosewood tones which appear in a subtle elongated diamond pattern as well as a lovely hand-painted basket and flower design. It has bronze claw feet and bronze detailing on all sides. Inside is lush velvet lining, a removable divided tray, (3) vertical interior dividers.

Measures: 24"W x 16"D x 17.5"H

Weight: 38 lbs.

Quantity: 1
